

## Kenmore Air Offers Summer Seattle–Vancouver Charter Flights for Soccer Fans

**SEATTLE, WA — March 23, 2026** — This June and July, Kenmore Air will offer limited [seaplane charter flights](#) between Seattle and Vancouver, BC timed to help travelers catch marquee matches on both sides of the border during this summer’s premier international soccer tournament.

From South Lake Union or Kenmore on Lake Washington, guests can depart Seattle and arrive in Vancouver’s Inner Harbour in about one hour, minutes from downtown. With small terminals, streamlined screening, and a private custom charter experience for up to seven guests, Kenmore Air’s dock-to-dock service is built for travelers who want more time in the city, more time at the match and less time stuck in transit.

“All tourism projections anticipate a significant increase in summer visitation and with matches between both cities, the roads will clog up, border crossing lines will be long, and the extra added time for ground travel will stack up,” said David Gudgel, president of Kenmore Air. “We’re offering a simple seamless and scenic custom alternative: a quick, charter flight that turns the border crossing into part of the experience that will make this soccer tournament in our region so special.”

### Why fly Kenmore Air for match travel:

- **1-hour flight time** — Seattle to Vancouver, BC: direct, scenic, and seamless
- **Dock-to-dock access** — Depart from South Lake Union or Kenmore; arrive in Vancouver’s Inner Harbour, minutes from downtown
- **Private charter experience** — Up to 7 guests per aircraft; your schedule, your match
- **Small terminals. Less stress.** — A calmer way to cross an international border during one of the busiest soccer events of the decade
